THE GAZETTE.

WEDNESDAY EVENING, MARCH 13.

Statement made to the U. S. Senate.

To the Senate and House of Representatives, in Congress assembled:

The undersigned citizens of Alexandria, Va., beg leave to present as their request on behalf of the people of their city; that your honorable bodies will delay action upon the joint resolution concerning the election held in the said city on March 5th, 1867, until your petitioners and the citizens of Alexandria generally, can make known to your honorable bodies, by extended petitions or other apt means, as to your honorable bodies may seem meet, that the constituted authorities of Alexandria did not desire or presume to defy the laws of the U. S., or maliciously or intentionally deprive any portion of our population of any right or franchise which they might possess under the laws of the land; and that if errors were committed, they were unintentional, and the result of improper construction rather than malicious purpose.—We ask your honorable bodies to take the willingness of our people to correct any errors which may have been committed as the evidence of their purpose and desire to conform to the laws which are passed for their government.—

Signed,

FERTILIZERS, &c.

GUANO—*REED'S AMMONIATED SUPERPHOSPHATE OF LIME.*—The best superphosphate yet offered to the farmer, possessing all the fertility of Peruvian Guano, but being far more durable in its effects.
It contains a large amount of animal matter in a highly concentrated form, which, combined with its soluble bone phosphate of lime, cannot fail to render it very valuable as a fertilizer.—Notwithstanding we believe it to be the best superphosphate in the market, yet, by a process peculiar to its manufacture, whereby the expenses are lessened, we are enabled to sell it very low, with a liberal discount to dealers.
