Since Saturday last twenty-one boats have been entered at the collector's office for the American Company at Alexandria, besides which thirty-five arrived to the companies located here.—*Georgetown Courier.*

THE FISH WHARF to-day was a busy place. The arrivals of shad and herring, particularly the latter, have increased, and country custom begins to come in freely. This morning, the wharf presented somewhat the appearance of old times.

[COMMUNICATED.

I see by the Gazette that operations on the Manassas Gap Railroad have been resumed.—This is good news, and will doubtless be hailed with joy by all, and as employees will doubtless be needed, permit me to recommend to the favorable consideration of the officers of the company, the claims of certain of our citizens, whose thorough acquaintance with the road, from actual experience—men who stuck by the road to her last, without pay or reward, not even rations—who saw the last rail torn up, and were then reluctant to retire. They deserve to be restored to the road—all of them, as conductors, brakesmen, baggage masters, &c., according to the length of gratuitous service, when the road wanted friends. B.

OUR CONSTABULARY FORCE.—Few of our officers deserve more credit than Capt. James F. Walsh and his official associates, for the prompt and efficient manner in which they detected, and brought to justice, the parties engaged in the recent robberies. Capt. Walsh's merit as a detective officer cannot be to highly esteemed, and if he had a more extensive field, his services to law and safety, would be most valuable in their influence. JUSTICE.

ADMINISTRATOR'S SALE OF REAL ESTATE.—Pursuant to a decree of the County Court of Fairfax county, I offer for sale the VALUABLE FARM, of which the late Rebecca Elgin died seized. Said farm lies upon the waters of "Scott's Run," adjoining the village of Lewinsville, on the Georgetown road, eight miles distant from the latter town, containing 230 acres of excellent land, 50 acres of which is heavily timbered, the remainder in good state of cultivation, and all under good fencing. The improvements consist of a comfortable dwelling, barn, stable, and all other proper or necessary outbuildings. The superior health quality of the land, its valuable timber and fine water power in never failing stream passing through the premises, offer rare inducements to the agriculturist or mechanic—its proximity to the Washington, Georgetown and Alexandria markets and its pleasant neighborhood renders it one of the most desirable estates in this section of country. If not sold at private sale before the June term of the County Court, (on the Monday) 1867, I will, on that day, offer said premises at public auction, at Fairfax C. H., to the highest bidder. Terms favorable, and will be made known on the day of sale—the title is indisputable. The subscriber, living near the premises, will show the same to any person desirous of purchasing. CHAS. F. ELGIN,
Administrator of R. Elgin, dec'd.
